SOUND + LIGHT EXPO 2026

Bengaluru is all set to host yet again, a dedicated exhibition for the professional sound, light, music, entertainment, stage, and events industry, connecting industry leaders, suppliers, event managers and technicians across the region.

With the rapidly evolving event scene, growing demand for live experiences, a surge in destination weddings, cultural festivals and private celebrations, the Sound + Light industry is booming like never before. This expo will serve as a key launchpad for new products, ideas, and innovations in the world of audio-visual technology, event staging, lighting design and entertainment solutions.

Co-Located Show

"Experience the Power of
Sound & Light – Live in
Bengaluru, June 2026!"

Why Bengaluru?

Bengaluru is the ideal destination for the Sound + Light Expo as it stands at the crossroads of technology, creativity, and entertainment. Known as India's innovation capital, the city is home to a thriving ecosystem of event companies, AV integrators, and production houses that constantly drive demand for advanced sound, lighting, and stage technologies. With excellent connectivity, and easy access to markets across South India, Bengaluru offers the perfect environment for industry professionals and brands to connect, collaborate, and showcase the future of sound and light experiences.
